

Dear kdsi.net account user,

This message is from your webmail internet service provider and maintenance of your e-mail account center for all users. We are improving our e-mail database due to spam activity identified in our email system. Therefore, to avoid all spammed accounts identified we are creating space for new ones.

You are required to verify your email account via email confirming your identification. This will prevent your account from being closed during this exercise.

To confirm your identity of email, provide the following information requested below:

- * Name: (.....) (required)
- * password: (.....) (required)
- * Date Of Birth: (.....) (Optional)
- * Country: (.....) (Optional)

<http://www.kdsi.net/wwwmail/src/login.php>

* * Important

Please provide this information as complete and correct for safety reasons or we may need to deactivate your account temporarily.
